3 . Measuring the data

72.8% of sampled businesses were included in the final Annual Business Survey (ABS) results in 2022. Quality measures for the ABS results are available in our [Non-financial business economy, UK: quality measures dataset](#).

Employment data

The employment data have been removed from this publication. These data can be found from our Business Register and Employment Survey (BRES), as described in our [Employees in the UK bulletins](#), and downloaded from our [Nomis web portal](#).

Data sources and collection

The ABS is a sample survey of approximately 73,000 businesses across the UK. The ABS draws its sample from our [Inter-Departmental Business Register \(IDBR\)](#).

Quality and methodology

More quality and methodology information on strengths, limitations, appropriate uses, and how the data were created, is available in our [ABS Quality and Methodology Information \(QMI\) report](#) and in our [ABS technical report](#).

Accessibility of Annual Business Survey output datasets

We have reviewed the accessibility of datasets legislation and updated all datasets within this release. Feedback or questions on the layout can be emailed to ABAPS@ons.gov.uk.
