Subject: Link Message: 14/050: Redesign of record management process in BDB

Marking: OFFICIAL SENSITIVE

Document Link Information :

Database: IT Strategies/Solutions BDB

Document: 14/050: Redesign of record management process in BDB

This is the Front Door Work Request for the replacement record management system based on the BDB

I'm going to put it through the system now although it should just be a formality

Thanks,
