Very good [redacted]

I'm happy to join in between 7:30 and 8:30 if that suits everybody. Have a chat with [redacted] first thing and let me know.

Folks

Here's the slightly tidier version of our ideas for the BDB / ERMS refresh.

If most of us can have a chat about the stuff above the dark red line some time on Thursday, it would be nice to get this to [REDACTED] ahead of our chat on Friday so they've had a chance to read and digest it.

Shout if you need to.
