Can we get rid of the first pop up? - Why aye mun!

And it goes without saying that all reference to Know Pro will be removed from current records. - Why aye, mun!

Are we still meeting with [REDACTED] tomorrow if you are meeting with her Thursday? - Why aye, mun!

Only two thoughts from me

Can we get rid of the first pop up?

And it goes without saying that all reference to Know Pro will be removed from current records.

Morning all

Here's the amended list following yesterday's meeting - I've added or changed the things we discussed as well as including the record type mapping list and a list of the pop-ups that appear when creating / saving a document.

[REDACTED] meeting on Thursday to finalise this so if you have anything to add let us know and we can thrash it out on Thursday.

Cheers!
