Further to my email this morning, and following up on our conversations, the Operational Note on the RPI consultation was published at 09:40 this morning and so is now live, [here](#).

Thanks for the confirmation that you would prefer to stick with release at 07:00 in January.

For your information, the Operational Note that was due to be released today will now be released on Thursday (not tomorrow), as close to 09:30 as our systems permit.

regards

Derek
