Dear Householder

Our records show that you have not returned your census. You must complete and submit it as soon as possible. You can also complete the census online, which saves paper and taxpayers' money. If you've submitted it in the last week, thank you and please ignore this letter.

You must complete the census by law or you could be fined up to £1,000.

How to complete your census online

1 Go to www.census.gov.uk and select "Start census".

2 If you've started your census online in the last week, enter the household access code you already used to continue and submit.

Or to start a new form, enter this new access code:

1 A 2 B C 3 D 4 E 5 F 6 G 7 H 9

3 Answer the questions and **submit when complete**.

Your answers are protected by law and will be kept confidential.

A member of our Office for National Statistics (ONS) team may visit you if you've yet to complete the census. Help is available for everyone to take part. Visit www.census.gov.uk or call 0800 141 2021 to find out more.

Thank you

Professor Sir Ian Diamond – National Statistician
