Subject : [RE: Assessment - Recorded Crime statistics - responses to remaining follow-up questions and to set of further questions](#)

Hi [REDACTED]

You should now have received two separate emails from me this afternoon. The first relates to the email contained within follow-up question 17 and the second relates to the email contained within question 19.

You had asked about the minutes from the Scottish Crime Registrars Technical Working Group. For this meeting, the 'minutes' take the form of an 'Action/Decision Log'. as referenced at the top of the agenda which I had circulated yesterday. This log will be updated following to-day's meeting. However the focus of the discussion at the meeting this afternoon related to on-going work being undertaken by crime managers who are auditing in a division other than their own division and the forthcoming timetable for the different audit types, on a bi-annual or quarterly basis,, together with the reporting times.

On a related matter, I am aware from a discussion with [REDACTED] in Police Scotland, that it may be helpful for the UKSA to meet with [REDACTED] in Police Scotland. [REDACTED] is the Executive lead for Crime Registrars in Police Scotland. I shall confirm her contact details and will forward these to you.

Kind regards,

[REDACTED],

Many thanks for this. There are a few attachments which are copies of emails (questions 17 & 19) that I'm not able to open on our system, would you be able to send them in a different format please?

Also under Q17 you have shared with us the agenda for the Scottish Crime Registrars Technical Working Group which is meeting today, can you share with us the minutes of any previous such meetings where issues relating to the recorded crime statistics were discussed?

Best wishes,

[REDACTED].
