Subject: UK rebate

Dear [REDACTED],

Extract from the minutes of 2014 COFOG TF.

Kind regards,

[REDACTED]

Concerning the COFOG classification of EU budget contributions, it is proposed to record under ESA2010 the expenditure concerned as D.76PAY in COFOG 01.1. Most of the countries already use this recording and therefore agree with the proposal. As regards the UK rebate, it was specified that foreign economic aid (01.2) would not correctly reflect the nature of these payments and that group 01.1 should be used.
