Hi [REDACTED],

I hope you're well.

We would like to do a presentation at the GSS Methodology Symposium in July (<http://www.ons.gov.uk/ons/about-ons/get-involved/events/events/twentieth-gss-methodology-symposium/index.html>) about the work we've done looking at smart-type meter data. Therefore I would be grateful for comments on the attached abstract please. It needs to be submitted by 24 April so comments before then would be helpful.

Of course, if the abstract is accepted, I'll send the presentation to you for comments too.

Many thanks.

Kind regards,
