PAGE 4: Impact of ONS statistics

Q9: Have ONS statistics and analyses helped to inform any decisions you or your organisation has made over the last year?Please select one answer only

No,

Please provide examples and further comments
I am a researcher so it is not so much about organisational decisions.

Q10: Have ONS statistics and analyses helped inform your policies over the last year?Please select one answer only

No,

Please provide examples and further comments
I am a researcher so it is not so much about policy decisions.

Q11: What information, advice or services could we provide to help inform your decision making and policies?

The website is still too complex. You need to look at it as 'an outsider' or 'outsiders' as it has many purposes in terms of data - academic, business, other users and we all want different things.

Q12: To what extent have ONS statistics, analyses and advice been helpful in providing an evidence base for your decision making and policies over the last year?Please select one answer only

Very helpful

PAGE 5: Your view of ONS

Q13: Looking at the following statements about how ONS works, to what extent do you agree or disagree that ONS...Please select one answer per row

Is independent (e.g. our statistics are free from political influence)
