Request details

Request - Data and/or information (please	Data from the ABS on number of enterprises, turnover, level
specify) Request background	of GVA and employment levels The West Yorkshire Combined Authority and Leeds LEP
This allows us to understand how our customers intend to use our data and allows us to improve future dissemination	have commissioned an economic impact assessment of the (partial) relocation of Channel 4 from London to Leeds. As part of this we want to create a baseline analysis of the status of the Screen and Creative Industries in a number of geographies before the announcement was made and which we will follow up over time to see if we can identify changes. The use of ABS data is one of a number of strands of analysis, others using the LFS, the DCMS's Taking Part Survey as well as locally-based, qualitative assessments.
Request frequency - Ad-hoc / regular (please specify)	Ad hoc, but is most likely to be repeated on a regular basis.
Please provide previous request number / details (if applicable) This allows us to identify if your request should become a timetabled delivery	
Source – Microdata survey data / Universe / Aggregate estimates (please specify)	ABS
Reference/time periods required Note: From 2008 onwards, data on SIC2007 basis	2020
Data vintage (latest published data unless specified)	As above

Geographical coverage – UK / GB / regional (please specify) Note: Microdata for Northern Ireland is not available via VML	UK, NUTS1 all regions including Regional (Yorkshire and Humberside), NUTS2 Sub-regional (West Yorkshire) only and NUTS3 City Based (Leeds) only.
Any other specific coverage (e.g. legal status)	None
Variables required Note: All aggregate estimates deemed disclosive will be suppressed	The number of establishments, turnover and GVA by different geographic levels and for specified 4 digit SIC codes. I have attached tables below which I hope to populate if that makes it clearer
Level of aggregation (please specify) May include cross-classification (e.g. industry by size-band)	4 digit SIC and geographic units
Is this request required for a future publication? If so, please state the (intended) release date	Publication details have not yet been finalised. It is likely that a combination of C4 and/or the LEP will want to publish findings of the impact of the relocation at some future stage.
Any other details regarding your request that have not already been covered	Don't think so, but happy to discuss!

All data will be delivered within 40 working days of confirming the receipt of your request.
