Household Questionnaire - England

[Large empty box for address correction]

If your address is incorrect, please enter your correct address here

[Four rows of address input boxes, including a 'Postcode' label]

### Why do we need your help?

We need your help to test our plans for a census in 2011.

The census is the only time every person and household is counted. Knowing how many people and visitors there are in each area is vitally important in the planning and funding of all our local and national services.

Each adult and child needs to be counted even if they are visitors to the area or the UK.

While this is a test before the 2011 Census and is voluntary, your support would be appreciated.

### Is it confidential?

Yes, all the personal information that you give us is protected by law. It will be kept strictly confidential and will not be disclosed to anyone outside the census organisation.

### Thank you for your co-operation

Glen Watson  
Census Director

## Before you start

### What should you complete on this questionnaire?

There are 3 sections to complete:

**Household questions on pages 3-6** about your household. These are numbered H1 to H14.

A 'household' is:

- one person living alone; or
- a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room, sitting room or dining area

**Individual questions on pages 7-30** for every person who usually lives in this accommodation. There are individual questions numbered 1 to 43 for up to 6 people. Every person who has been, or intends to be, in the UK for 3 months or more should be included in these questions at their usual address.

**Visitor questions on the back page (page 32)** for all other people staying the night in this accommodation on 29 March 2009. There are visitor questions numbered V1 to V4 for up to 3 visitors.

It is important to include visitors staying overnight here on 29 March 2009 to make sure no-one is missed. Visitors who live elsewhere in the UK must also be included on the Census questionnaire at their usual address.

**You will find further information for people with special circumstances on page 31:** students/schoolchildren who live away from home, children with parents who live apart, lodgers, unrelated/shared households, people who live away from home while working, people temporarily away from home, people from outside the UK and absent households.
