

Conclusions and summary

September 2011

Summary

- Confident that we will achieve our 2011 Census objectives
- A successful 2011 Census so far and a great platform for the quality assurance phase
- Our partners (you) have made a real difference
- Still much to do, focus now on producing high quality and accessible outputs that meet user needs
- We will continue to engage with you & keep you informed
- Work continuing on web data access project to improve detailed dissemination of 2011 Census outputs
- We welcome your further help to promote the use of census data

What next...

- We will publish a list of Q&As from the road shows once they are all completed
- Smaller consultation on specialist output products (Oct/Nov)
- Beyond 2011 road shows in November (more details in delegate packs)
- Publish outputs prospectus in March 2012
- First 2011 Census (LA data by age by sex) in July 2012

THANK YOU
