

Table 1: Passports Held for All Usual Residents in England and Wales

Passports Held	2011
All Categories: Passports Held	56,075,912
British Passports	42,456,526
Non-British Passports*	4,161,335
No Passport Held	9,458,051

Please Note:

* The number of persons holding non-British passports is derived by aggregating figures for all countries other than the UK.

In order to protect against disclosure of personal information, records have been swapped between different geographic areas. Some counts will be affected, particularly small counts at the lowest geographies.
